

Survey on Post-Secondary Education Options for Students with Intellectual Disabilities

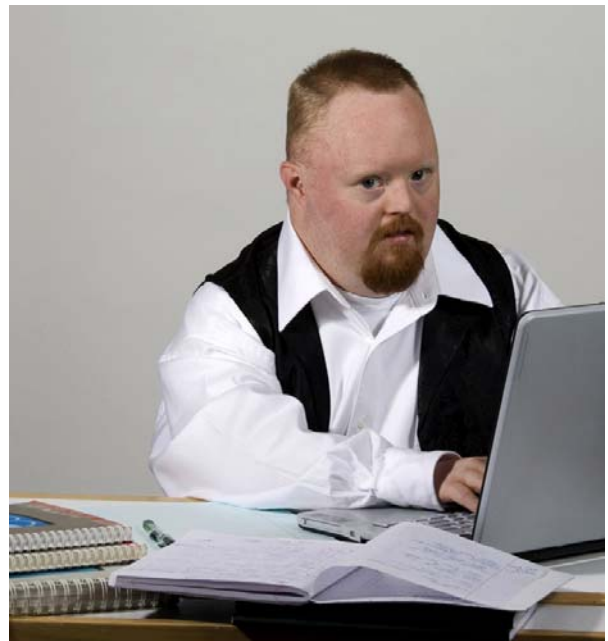

Help us learn more about the options available to students with intellectual disabilities after they leave high school.

If you are the parent of a student with an intellectual disability who currently is enrolled in a Tennessee high school, please participate in this anonymous survey.

The Survey on Post-Secondary Education Options for Students with Intellectual Disabilities collects information about:

- You and your son or daughter with an intellectual disability
- Transition plans for your son or daughter after high school
- Your opinions about the options available to your son or daughter
- If your son or daughter is 18 years or older, his/her opinions about the options available after high school

Surveys should be completed by 8/31/08

All your answers are private and the survey only takes 20 minutes to complete online. Paper surveys also are available. To receive a survey by mail contact: megan.m.griffin@vanderbilt.edu

Thank you in advance for your participation!!

The online version of the survey is available at
